WORK EXPERIENCE

UNITED INTERNATIONAL UNIVERSITY

Undergraduate Grader

Madani Avenue, Dhaka
Summer 2023

- Collaborated closely with faculty to develop and update course materials, graded assignments while delivering clear, constructive feedback, and analyzed student performance metrics to refine teaching strategies and ensure alignment with curriculum objectives

PROJECTS

ARTISAN

Jul 2026 - Aug 2026

Tech stack: ReactJS, Redux, RTK Query, TailwindCSS, TypeScript, JWT, MongoDB

- Artisane is a modular e-commerce marketplace for fine art and DIY kits, featuring automated inventory sync for both unique and mass-produced stock. It streamlines fulfillment through secure role-based access and real-time logistics integration with third-party delivery partners via automated webhooks.
